

LOWER MINNESOTA RIVER WATERSHED DISTRICT

Executive Summary for Action

Lower Minnesota River Watershed District Board of Managers Meeting

Wednesday, July 21, 2021

Agenda Item

Item 6. C. - Remote meeting participation

Prepared By

Linda Loomis, Administrator

Summary

Staff is working to have equipment in place to allow Managers participate in meetings remotely. The LMRWD has been waiting on Carver County to agree to reconfigure the Audio/Video system in the County Board Room before being able to allow Managers to participate remotely. With the experience of virtual meeting for the past year, the LMRWD has been in touch with other watershed districts about how they have managed remote participation.

The goal is to have something set up in time for the August meeting.
