

LOWER MINNESOTA RIVER WATERSHED DISTRICT

June 2022 Administrator report
From: Linda Loomis, Administrator
To: LMRWD Board of Managers

In addition to items on the meeting agenda, the following District projects and issues were addressed during the month:

Other Work

Metro Children's Water Festival

At the May 2022 Board of Managers meeting, the Board asked some questions about the Metro Children's Water Festival. The Board was curious about the process for determining what schools can attend the event. I have not received a response yet to this question.

I have some updated information about the Festival. First, the date for the in-person event is Monday, September 28, 2022. There is also a virtual option. And registration for the in-person event is closed.

Educational Signage

At the April 2022 Board of Managers meeting, the Board asked about the size of the signs that were developed for East Chaska Creek and Eagle Creek. The signs are two feet high and three feet wide.

Watershed Based Implementation Funding (WBIF)

The second meeting of the Lower MN River Watershed Planning Area for the 2022/23 WBIF was held May 18th. The group decided on the criteria to use to evaluate projects and agreed that all the partners would enter potential projects to be funded on a google sheet. Projects must be entered on the sheet by June 22nd so that BSWR can qualify projects. The Convene group will meet on June 29th, to evaluate, and rank projects. If time allows, the group will determine which projects will be funded.

Savage Fen

LMRWD staff met with the City of Savage and several staff people from the MN DNR to discuss management of Savage Fen. The City organized this meeting, and the following items were discussed: 1.) Land Development – Project Review/Coordination, 2.) Bohn Properties/Undeveloped Property, 3.) Regional Stormwater Management Plan, 4.) Groundwater Permitting, 5.) Future Projects, and 6.) Fen Management – Burn Coordination.

Once meeting notes are available, they will be shared with the Board of Managers.

Lower Minnesota River East One Watershed One Plan

Manager Amundson and I attended the May 26th meeting:

- A contract for a consultant to lead the 1W1P development is not under contract yet. There was some concern between ISG and the attorney for the Scott SWCD over insurance provisions in the agreement.

- A date and location for the public kick-off meeting was determined; the meeting will be held July 26th from 6:00 to 8:00 pm at Cedar Lake Farm in New Prague.
- Ideas were discussed for additional options to gather input from the public to inform the plan development. There will be an on-line options for the public and others to use.
- LeSueur County staff put together a stakeholder list in advance of the plan's public kick-off meetings. The LMRWD added our contacts to the list.

Since the Policy Committee meeting, ISG and Scott County SWCD came to an agreement and the contract has been signed. The Steering Committee met with ISG Friday, June 10th to discuss the public kick-off meeting. It was decided to have a virtual meeting in addition to the in-person meeting. For an idea of what the virtual meeting would look like, you can visit this [site](#).

10521 Spyglass, Eden Prairie

On June 2nd, Della Young and I met with a contractor, the City, and the homeowners of this property to discuss drainage issues they are having. An application for a permit will be forthcoming from this property. We were concerned when the contractor contacted the LMRWD because this property is up-slope from Area #3.

Shakopee – MN Riverbank Stabilization

The City of Shakopee received \$3.5 million in federal funding to stabilize the south bank of the MN River in Shakopee. The total cost of the project is estimated to be \$12.5 million. The City called a meeting June 3rd with its partners to kick-off the project. An article about the project was reported in the May 14th Star Tribune. Here is a link to the [article](#).

Engineering Pool

All Engineering firms approved to be included in the Engineering Pool were invited to an introductory meeting held May 25th. Background of the LMRWD was provided and we discussed the types of projects where they would be needed.

Watershed Plan Projects

Gully Inventory and condition assessment: No new information to report since last update.

Project website: <http://lowermnriverwd.org/projects/mn-river-corridor-management-project>

Eden Prairie Area #3 Stabilization: No new information to report since last update.

Project website: <http://lowermnriverwd.org/projects/mn-river-corridor-management-project>

East Chaska Creek: (Carver County Watershed Based Funding): An update of this project was included in the meeting materials for the June 15, 2022 meeting.

Project website: <http://lowermnriverwd.org/projects/east-chaska-creek-bank-stabilization>

Schroeder Acres Park (Scott County Watershed Based Funding): The LMRWD received a grant to assist funding this project that was set to expire 12/31/2021. An extension of the grant was received. There is no new information to report since the last update.

Project website: <http://lowermnriverwd.org/projects/schroeder-acres-parkeagle-creek-sub-watershed-stormwater-study>

Shakopee Downtown BMP Retrofit (Scott County Watershed Based Funding): A reimbursement request for this project is on the June 15, 2022 meeting agenda.

Project website: <http://lowermnriverwd.org/projects/targeted-bmps-downtown-shakopee>

PLOC (Prior Lake Outlet Channel) Restoration (Scott County Watershed Based Funding): There is no new information to report since the last update.

Project website: <http://lowermnriverwd.org/projects/prior-lake-outlet-channel-realignmentwetland-restorationhis>

Hennepin County Chloride Project (HHCI) (Hennepin County Watershed Based Funding): There is a meeting of this group scheduled for 11:00 am June 23, 2022.

The MPCA has posted notice of this grant program on its [Statewide Chloride Resources page](#). Grant details for this project can be found on the LMRWD website using this link <http://lowermnriverwd.org/news/chloride-reduction-grants-available>.

Vegetation Management Plan: No new information to report since the last update.

Sustainable Lake Management Plan: Trout Lakes: There is no new information to report since the last update.

Spring Creek Cost Share: No new information to report since last update.

Project website: <http://lowermnriverwd.org/projects/spring-creek>

West Chaska Creek Re-meander: The LMRWD received an invoice from the Carver County WMO to for LMRWD's contribution to this project. It is on the June 15, 2022, agenda.

Project website: <https://storymaps.arcgis.com/stories/1695a2cf90b44ddba730aad399196405>

Seminary Fen Ravine Restoration Area C2: There is no new information to report since the last update.

MN River Corridor Plan: There is no new information to report since the last update.

Upcoming meetings/events

Managers are invited to attend any of these meetings. Most are free of charge and if not the LMRWD will reimburse registration fees.

- UMWA monthly meeting – Thursday, June 16, 2022, Lilydale Pool & Yacht Club

STATUS DEFINITIONS:

Active Permit: Applicant has a valid permit issued by LMRWD

Cancelled by Applicant: Applicant withdrew their application for a LMRWD permit

Closed: Applicant has indicated the project has completed construction and that the permit file may be closed

Conditional Approval: LMRWD managers conditionally approved the permit application, pending receipt of additional information from applicant

Expired: Applicant either obtained conditional approval, approval, and/or was issued a permit and the expiration date has passed

Permit No.	Project Name	City	Status	Pre-Permit Meeting	Date Received	Date Application Considered Complete	Board Actions			On Hold / Cancelled	Permit Issued	Permit Expiration Date	Renewed	Inspection Date	Date Permit Closed
							Information Only	Conditional Approval	Approval						

Incomplete: Applicant applied for a permit, but the application is incomplete

No Permit Required: Applicant applied for a permit, but during the completeness review, it was determined that the project did not trigger the regulatory thresholds

On Hold: Applicant requested their application be placed on hold

Pre-Permit: Applicant has requested pre-permit application reviews or meetings, but has not yet applied for a permit from LMRWD

Under Review: Permit application is complete and under review by LMRWD staff

** Staff recommendation only, has not yet been presented to the Board for action*
