

LOWER MINNESOTA RIVER WATERSHED DISTRICT

Executive Summary for Action

Lower Minnesota River Watershed District Board of Managers Meeting
Wednesday, April 18, 2018

Agenda Item

Item 7. F. - Education & Outreach

Prepared By

Linda Loomis, Administrator

Summary

i. Education & Outreach Coordinator

The LMRWD advertised for a consultant to fill the role of Education & Outreach Coordinator at the same time proposals were requested for legal and engineering services. The proposal for engineering services from RESPEC was the one that seemed address this need most specifically. The Board may wish to consider approaching RESPEC to provide education & outreach services. Alternatively, the District could re-advertise for this service specifically. If so, I would not advertise in the state register, but look for other avenues to advertise for this service.

ii. Friends of the MN River Valley/LMRWD collaboration
